Alien Spoilers

Shane Aston

What is it?

- Reddit subscription manager

- Avoid spoilers for TV shows

- Safely waste your time on Reddit

The Problem

- Formula 1 fan

- Bahrain Gran Prix

- Friday-Sunday

- Tuesday

The Solution

- Automatically unsubscribe from the offending subreddit(s) (say, /r/forumla1)

    - Subreddit

    - Start / End Dates

- Repeated events

    - Good for weekly TV shows

Demo

Tech Stack

- Django 1.7

- Python 2.7

- PRAW: The Python Reddit Api Wrapper

- Bootstrap

- jQuery

- SASS

- Some other stuff I forgot

from
reddit
import
code

SASS

- SASS - Syntactically Awesome Style Sheets

- CSS pre-processor

  - extends CSS

  - Variables, Nesting, Extension / Inheritance …

    - $primary-background: #E8E595;

    - background: $primary-background;

- Scout

Why a website?

- Mobile Users

- Learn web technologies

- Suggested events

  - based on other user's events / subreddits

Next Steps

- Deploy!

- Finish automatic subscribe/unsubscribe

- Scheduled Events (ie. Formula 1)

- Suggested Events
